Community gardeners may choose between use of a 4' x 10' garden plot or to work in the common area plots with a limited number of gardeners growing an agreed upon common crop. All gardeners must join the Community Garden with payment of a lifetime membership for \$250, which is good for as long as you own a home in the Chattahoochee Run or Point neighborhood, or with payment of an annual membership fee, currently \$50 per year. All gardeners must abide by the Chattahoochee Run & Point Community Garden Guidelines and Rules and be in good standing with Chattahoochee Run Home owners Association.

To get started, please complete the information above and below and return to a member of the Community Garden.
